Veuillez communiquer avec nous pour obtenir la version française de la demande de services.

TO BE COMPLETED BY **APPLICANT / REFERRAL SOURCE**

ELIGIBILITY CRITERIA

Please review the following criteria for 24HR residential services.

The applicant must:

- ❑ have a diagnosis of an acquired brain injury, as confirmed by a physician;
- ❑ be eighteen years of age or older;
- ❑ not be diagnosed with a progressive or degenerative disease/disorder;
- ❑ not be diagnosed with a developmental disability, in-utero/at birth ABI, or pediatric (<16) ABI;
- ❑ demonstrate capacity for functional rehabilitation, defined as:
  - Generally oriented to person and place (may not be oriented to time, or to their exact location – e.g. "I'm at home" vs. the city or address)
  - Basic self-awareness (e.g. able to notice if incontinent, to select appropriate clothes for the weather, etc.)
  - Follows 1 to 2 step commands
  - Can sustain attention for longer than 15 minutes (if motivated)
  - Responds to compensatory strategies and/or demonstrates some retention of new learning
  - Able and willing to tolerate constant daily prompting for independent participation in life tasks, and structured rehabilitation programming 1+ hour(s) per day

  OR

  - None of the above – The applicant has a goal to identify suitable non-pharmaceutical or physical restraint options for managing behaviour.
- ❑ be willing to relocate to the Hamilton/Niagara area;
- ❑ be insured under OHIP;
- ❑ not have active substance abuse issues or use non-prescribed marijuana;
- ❑ be up to date on COVID-19 vaccinations;
- ❑ be medically and psychiatrically stable, including:
  - not require that nursing care be available on site 24 hours a day;
  - not require sliding scale medication;
  - not require internal catheterization;
  - not being reliant on tube-feeding long-term;
  - not using hospital-only administered medications;

  Applicants with additional medical, physical or psychiatric needs will be considered on a case-by-case basis.

If the applicant meets the eligibility criteria listed above, please proceed to the next page to complete the application.

RELEVANT TREATMENT HISTORY (including current services)

Program/ Facility/ Hospital or Agency	Contact Information (name, position, phone number, email, fax)	Dates Involved

SUPERVISION NEEDS

Please select the appropriate level of supervision needs required for the applicant in each category:

Supervision Needs	Low	Medium	High
Medical Considerations Frequency and intensity of medical concerns (e.g., Seizures, panic attacks, self-harm, choking risk, suicide risk, prosthetic care). *Consider: mental wellness*.	☐ • Low frequency (monthly); • Intensity - minor intervention to manage; may require up to 15 minutes; • never requires EMS intervention); • Co-morbidities have been stable for > 1 year OR no co-morbid concerns	☐ • Moderate frequency (weekly); • Intensity - moderate intervention to manage; may require up to 30 minutes; • rarely requires EMS intervention); • Co-morbidities fluctuate, but support is present	☐ • High frequency (> weekly) • Intensity - high intervention to manage; may require up to 1 hour; • may require EMS intervention); • Co-morbidities fluctuate, but support is present
Passive Supervision e.g., Napping, watching television, sedentary leisure in room. *Consider: Un/intentional self-harm risk, confusion, disorientation.*	☐ Safe to be unsupervised for up to 1 hour or more	☐ Requires a check-in every 30 minutes	☐ Requires constant checks (including video monitoring) 24 hours per day
Behaviours and Emotional Support Frequency of prompting and cuing; substance seeking; elopement; manipulation. *Consider: Physical, environmental, verbal, or sexual behaviours.*	☐ Occasional (0-49% of the time) and/or low intensity (immediate reconciliation of 1 person)	☐ Often (50-75% of the time) and/or moderate intensity (may require up to 30 minutes of 1 person to de-escalate)	☐ Always (76-100% of the time) and/or High intensity/immediate risk of harm; may require 2+ people to de-escalate
Personal Care Needs Direct care assistance (e.g., toileting, hygiene and peri-care, dressing, transfers, showering) for the client. *Consider: Continence.*	☐ May require support for morning and night routines and/or requires 0-2-person assistance for any personal care	☐ Requires direct personal care at moderate frequency (e.g. every 4-6 hours) and/or requires 1-2-person assistance for any personal care	☐ Requires direct personal care at a high frequency (e.g. every 2 hours) and/or requires 3-person assistance at any time
Social and Congregate Considerations *Consider: Are antecedents to behaviour often social in nature? Is overstimulation in a home setting triggering? Do they seek conflict? Are they physically imposing or difficult to redirect when escalated? Do they need isolation or quiet space? Do they disrupt others?*	☐ Mildly irritated by others and/or disrupts others occasionally (0-49% of the time) and/or requires redirection by staff	☐ Moderately irritated by others and/or disrupts others often (50-75% of the time) and/or requires redirection by staff	☐ Highly irritated by others and/or disrupts others always (76-100% of the time) and/or efforts to redirect are challenging

PERSONAL CARE NEEDS

HIRO is a long-stream rehabilitation facility, and we are staffed accordingly.

Personal care services are limited to the following:

- No sliding scale medications;
- No regular access to nursing;
- No mechanical restraints, security guards, or seclusion rooms to manage behaviours;
- Cannot require 3-person assistance for any ADLs, or transfers;
- Applicant must be independent in bed mobility and/or wheelchair positioning (if applicable);
- Applicant must be able to self-propel/locomote independently (or with standby supervision) up to 9 meters;
- Applicant must be able to tolerate being "up" (in wheelchair, if applicable) for the majority of a day.

CUSTODIAL CARE NEEDS

Please select the appropriate level of care needs required for the applicant in each category and provide any/all equipment required to complete the task:

Tasks	Equipment	Independent	Set Up Only	Prompts / Cues	1-Person assistance	2-Person assistance	3+ Person assistance
Transfers and Mobility
