Tel: 905-523-8852 ext. 123 Fax: 905-523-8211 Email: <u>admissions@hiro.ca</u> Web: <u>www.hiro.ca</u>

Veuillez communiquer avec nous pour obtenir la version française de la demande de services.

Please review the following criteria for 24HR residential services.

TO BE COMPLETED BY APPLICANT / REFERRAL SOURCE

The applicant must:

- □ have a diagnosis of an acquired brain injury, as confirmed by a physician;
- □ be eighteen years of age or older;
- not be diagnosed with a progressive or degenerative disease/disorder;
- not be diagnosed with a developmental disability, in-utero/at birth ABI, or pediatric (<16) ABI;
- demonstrate capacity for functional rehabilitation, defined as:
 - Generally oriented to person and place (may not be oriented to time, or to their exact location e.g. "I'm at home" vs. the city or address)

ELIGIBILITY CRITERIA

- Basic self-awareness (e.g. able to notice if incontinent, to select appropriate clothes for the weather, etc.)
- Follows 1 to 2 step commands
- Can sustain attention for longer than 15 minutes (if motivated)
- Responds to compensatory strategies and/or demonstrates some retention of new learning
- Able and willing to tolerate constant daily prompting for independent participation in life tasks, and structured rehabilitation programming 1+ hour(s) per day

OR

- None of the above The applicant has a goal to identify suitable non-pharmaceutical or physical restraint options for managing behaviour.
- □ be willing to relocate to the Hamilton/Niagara area;
- □ be insured under OHIP;
- not have active substance abuse issues or use non-prescribed marijuana;
- be up to date on COVID-19 vaccinations;
- □ be medically and psychiatrically stable, including:
 - not require that nursing care be available on site 24 hours a day;
 - not require sliding scale medication;
 - not require internal catheterization;
 - not being reliant on tube-feeding long-term;
 - not using hospital-only administered medications;

Applicants with additional medical, physical or psychiatric needs will be considered on a case-by-case basis.

| SUPERVISION NEEDS Please select the appropriate level of supervision needs required for the applicant in each category: | | | | | | |
| Supervision Needs | | Low | Medium | | High | |
| Medical Considerations Frequency and intensity of medical concerns (e.g., Seizures, panic attacks, self-harm, choking risk, suicide risk, prosthetic care). Consider: mental wellness. Passive Supervision e.g., Napping, watching television, sedentary leisure in room. Consider: Un/intentional self-harm risk, confusion, disorientation. Behaviours and Emotional Support Frequency of prompting and cuing; substance seeking; elopement; | | Low frequency (monthly); Intensity - minor intervention to manage; may require up to 15 minutes; never requires EMS intervention); Co-morbidities have been stable for > 1 year OR no co-morbid concerns Safe to be unsupervised for up to 1 hour or more Occasional (0-49% of the time) and/or low intensity (immediate reconciliation of 1 person) | Moderate frequency (weekly); Intensity - moderate intervention to manage; may require up to 30 minutes; rarely requires EMS intervention); Co-morbidities fluctuate, but support is present Requires a check-in every 30 minutes Often (50-75% of the time) and/or moderate intensity (may require up to 30 minutes of 1 person | | High frequency (> weekly) Intensity - high intervention to manage; may require up to 1 hour; may require EMS intervention); Co-morbidities fluctuate, but support is present Requires constant checks (including video monitoring) 24 hours per day Always (76-100% of the time) and/or High intensity/immediate risk of harm; may require 2+ | |
| Consider: Physical, environmental, verbal, or sexual behaviours. | | | to de-escalate) | | people to de-escalate | |
| Personal Care Needs Direct care assistance (e.g., toileting, hygiene and peri-care, dressing, transfers, showering) for the client. <i>Consider: Continence.</i> | | May require support for morning and night routines and/or requires 0-2-person assistance for any personal care | Requires direct personal care at moderate frequency (e.g. every 4-6 hours) and/or requires 1- 2-person assistance for any personal care | | Requires direct personal care at a high frequency (e.g. every 2 hours) and/or requires 3-person assistance at any time | |
| Social and Congregate Considerations Consider: Are antecedents to behaviour often social in nature? Is overstimulation in a home setting triggering? Do they seek conflict? Are they physically imposing or difficult to redirect when escalated? Do they need isolation or quiet space? Do they disrupt others? | | Mildly irritated by others and/or disrupts others occasionally (0-49% of the time) and/or requires redirection by staff | Moderately irritated by others and/or disrupts others often (50-75% of the time) and/or requires redirection by staff | | Highly irritated by others and/or disrupts others always (76-100% of the time) and/or efforts to redirect are challenging | |

PERSONAL CARE NEEDS

HIRO is a long-stream rehabilitation facility, and we are staffed accordingly.

Personal care services are limited to the following:

- No sliding scale medications;
- No regular access to nursing;
- No mechanical restraints, security guards, or seclusion rooms to manage behaviours;
- Cannot require 3-person assistance for any ADLs, or transfers;
- Applicant must be independent in bed mobility and/or wheelchair positioning (if applicable);
- Applicant must be able to self-propel/locomote independently (or with standby supervision) up to 9 meters;
- Applicant must be able to tolerate being "up" (in wheelchair, if applicable) for the majority of a day.

CUSTODIAL CARE NEEDS

Please select the appropriate level of care needs required for the applicant in each category and provide any/all equipment required to complete the task:

| Tasks | Equipment | Independent | Set Up Only | Prompts / Cues | 1-Person assistance | 2-Person assistance | 3+ Person assistance |
|------------------------|--------------------------|--------------|----------------|-------------------|------------------------|------------------------|-------------------------|
| | Transfers and Mobility | | | | | | |
| Mobilize 9m Indoors | | | | | | | |
| Community Mobility | | | | | | | |
